

Opportunity

Under the glow of the very bright lights
I turn my face towards the warm night sky
And I, I'm not afraid of a thousand eyes
When they're above 500 smiles.

Oh I used to think
(oh she used to think)
What wouldn't I give
(what wouldn't she give)
For a moment like this
(for a moment like this)
This moment, this gift

Now look at me
and this opportunity
It's standing right in front of me
But one thing I know
it's only part luck and so
I'm putting on my best show
Under the spotlight
I'm starting my life
Big dreams becoming real tonight
So look at me
and this opportunity
You're witnessing my moment, you see
My big opportunity.

Oh I used to think
(oh she used to think)
What wouldn't I give
(what wouldn't she give)
For a moment like this
(for a moment like this)
This moment this gift

And now look at me
and this opportunity
It's standing right in front of me
But one thing I know
it's only part luck and so
I'm putting on my best show
Under the spotlight
I'm starting my life
Big dreams becoming real tonight
So look at me
and this opportunity
You're witnessing my moment, you see
My big opportunity
I won't waste it...
